A unit stationed in Bernburg (M 52/D 76) was entrained in liberstadt (M 52/D 76) at about 7 p.m. on 13 February 1950. Fix long-barreled IT guns of about 57 mm caliber with muzzle brake and fifteen 3/4 ton trucks were loaded on a train which included three coacnes. It was learned that the train was bound for Altengrabow (M 53/4 00). b. New officers arrived in Bernburg during the second half of February 1950. With the exception of three or four, all woviet families had left the post by early March 1950. c. Only little traffic was observed in the Bernturg barracks in early March 1950. The previously observed guns were no longer seen in the herracks area 50X1-HUM Before the troops left for Altengrabow, the barracks had been occupied by about 900 troops. 2. Only about two thirds of the Bernburg berracks buildings were illuminated on the evening of 1 March 1950. Local residents said that about 800 troops had marched through the town on Red Army Day (23 Mebruary 1950). Officers said that the barracks troops drew their ration supplies from Magdeburg (M 53/Y 60). 50X1-HUM 50X1-HUM CLASSIFICATION SHORT CONTROL/US OFFICIALD ONLY This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
